

## **1.REGISTRATION.**

This program is shareware. It means that the user must pay for it if the program is going to be used after a 30 day evaluation period.

The registration fee for GALILEO and ASTVIEW (the whole set) is 40 \$.

When you register, you will receive:

- \*A copy of the last version.
- \*On-line help files.
- \*A wide collection of astronomical images.
- \*Support by post and e-mail.
- \*Information on future versions and related software.

See the registration form contained in REGIST.DOC.
