

Activity Monitor 1.1 -- VENDOR INFORMATION

COPYRIGHT INFORMATION:

This software program package is protected under the copyright laws of Canada and foreign countries. All rights are reserved to Louis Desjardins. Distribution of this product implies that you have read and agreed to the distribution terms described below. The Activity Monitor 1.1 package includes ACTMON.EXE, AMCTRL.EXE, all text and ancillary files, as well as a number of DLL's and VBX'es. The rights to the DLL and VBX files are reserved to their respective authors.

INTENT:

We seek to distribute our shareware as widely as possible. However, we want the end-users of our software to be properly informed that Activity Monitor 1.1 is Shareware.

ASP VENDORS:

If you are an ASP Vendor or BBS Member, then you have prior permission to distribute the Activity Monitor 1.1. If you are not an ASP Vendor or BBS Member, then you are required to notify Louis Desjardins in writing prior to distribution of products created by Louis Desjardins.

DISTRIBUTOR INFORMATION:

The license information and distribution requirements in this document add to all previous license statements. To continue to distribute products from Louis Desjardins, you must adhere to the distribution requirements stated in this document and to the licencing conditions described in LICENCE.WRI.

You may distribute these programs as they are, without any changes other than expanding files contained in the compressed archives. Where applicable, you are allowed to add the VBRUNXXX.DLL file required to run the program. You have a responsibility to check from time to time, at a minimum interval of 6 months, for new versions of these programs, and to update your copies in a timely manner. We will gladly send you a diskette containing the current versions upon request.

You must fully identify all programs by Louis Desjardins in your advertising, by the program's full name and version, and indicate the registration fee in the program description.

SHAREWARE DISCLOSURE REQUIRED:

All advertising and packaging information including references to products by Louis Desjardins must contain a statement explaining the shareware concept. Specifically, that statement must explain that shareware software must be registered by the user, after a trial period, by paying a registration fee, and that all money paid to the distributor for the shareware version are duplication and distribution charges only. The declaration specified by the Association of Shareware Professionals is a good model. All such statements must be clearly displayed in a position where they are likely to be read by potential customers.
