

Thank you for your interest in Hamilton C shell! Here's a very quick run-down on the product. We also have a four-page printed brochure giving additional detail that can be faxed or mailed to you. A limited demo version is also available at no charge.

Title	Hamilton C shell™
Description	<p>Hamilton C shell recreates the original UNIX C shell and utilities, adding numerous enhancements. Over 130 commands, utilities and built-in functions including alias, cat, chmod, cls, cp, cron, cut, diff, dirs, dskread, dskwrite, du, eval, fgrep, grep, hashstat, head, history, kill, more, mv, popd, printf, ps, pushd, rm, sed, sleep, split, strings, tabs, tail, tar, tee, time, touch, tr, uniq, vol, wc, whereis and xd. Designed from scratch. Carefully follows all Windows NT conventions. Fanatical quality.</p> <p>Hamilton C shell comes with a 260 page manual split evenly between tutorial and reference material.</p>
Features	<p>History, full-screen command line editing, filename and command completion, user-defined and built-in procedures, aliases, expressions, local variables, command substitution, wildcarding with indefinite directories, background execution. Outstanding scripting capabilities. Unlimited command line size. Extensively multi-threaded.</p>
Benefits	<p>Users familiar with UNIX become instantly productive on Windows NT. Runs existing UNIX command scripts with little or no porting effort. Even users with no UNIX background find the powerful tools in this product allow complex operations to be performed or automated with ease. Users typically report savings of an hour/day.</p>
Platforms	<p>Windows NT (final release) on Intel, MIPS or DEC Alpha. (We also have a version for OS/2.)</p> <p>We are committed to supporting each new processor running Windows NT as quickly as it becomes available. Hardware vendors desiring support for a proprietary architecture running Windows NT need only supply a machine; we do not charge for the port.</p>
Price	<p>\$350 in the U.S. (Canada/Mexico \$365; elsewhere \$395)</p> <p>Price includes shipping by air and a 90-day unconditional satisfaction guarantee.</p> <p>We accept MasterCard, VISA, American Express, Discover, checks drawn on a U.S. bank, and purchase orders from most U.S. organizations.</p> <p>When ordering, please specify media size (3.5" or 5.25") and whether it is for Intel, MIPS or DEC Alpha.</p>
