Distribution rules of SpaceMaker for Windows:

Copernicus Software International unconditionally retains all rights pursuant to the Copyright Laws of the United States and Canada.

A limited license is granted to copy and distribute the unregistered shareware version of SpaceMaker for Windows subject to the conditions in the license and the following:

1. No fee, charge or compensation may be accepted for distribution of SpaceMaker for Windows except:

- time related usage fees for electronic bulletin boards not directly related to the downloading of this program.

- Association of Shareware Professionals (ASP) member distributors may charge a nominal fee of no more than \$5 to distribute this shareware version.

- Others wishing to charge a fee not provided for above can do so only with the express written consent of Copernicus Software International.

2. No one may modify SpaceMaker for Windows files, documentation, or executables in any way, including reverse engineering the program.

3. The full machine readable documentation, help files and executable must be included with each copy.

The registered version of SpaceMaker for Windows may not be copied or distributed in any way except through an express written agreement with Copernicus Software International. Companies wishing to distribute a registered version may contact us to make contractual arrangements with us to do so.

4. Any persons serving as a distributor of the Shareware version of the software, as originally distributed by the company, may freely copy and distribute the product, as long as they retain exactly the original form of the distribution, by including ALL files, in unmodified condition,

The files included in the distribution package of the SpaceMaker for Windows are listed in README.TXT file.

Telephone: _____

Terms of Distribution of the SpaceMaker for Windows:

1. The fee charged must be negotiated with the author.
2. Your library's catalog or listing must state that this program is not free, but is copyrighted

software that is provided to allow the user to evaluate it before paying.

3. The offering and sale of SpaceMaker for Windows will be stopped at any time the author so requests.

4. Copies must be made from the copy of SpaceMaker for Windows sent to you with this agreement. This is required for control purposes.

5. Problems or complaints about the program will be reported to the author for investigation.

In return for a license to charge a fee for the distribution of the program SpaceMaker for Windows, I agree to comply with the above terms of distribution.
