

Congratulations!

Screen Saver Studio 3.01 is the premier product for the creation of custom screen savers.

If you haven't seen the free 'extras' available for your new software, you absolutely must visit www.screensaverstudio.com. You'll find sample screen savers with the project files so you can learn how to make better screen savers, information on animations, hints and tips, and lots more.

You could win \$5,000! Just enter our World's Best Screen Saver Contest and win the grand prize. There's over \$14,000 in prizes for the best screen saver in a number of categories. Find out more at www.screensaverstudio.com.

Want to sell the screen savers you make or use them to promote a business? Then you'll need our Screen Saver Studio Professional License version. Go to our web site www.screensaverstudio.com and click on "Upgrade Now" to get your discount on an upgrade to the Professional version.
