

Flat Rabbit Software™

BOXEM, © Copyright 1993 - All Rights Reserved, is distributed to you (the public) from us (the FRS dudes) through Shareware distribution mechanisms. BOXEM is copyrighted software which means you have a 45 day trial period to determine whether you want to keep BOXEM (and pay for the software) or test your new wastebasket program with it. Should you decide to keep BOXEM on your machine, you are obligated by law to pay us some cashola.

Now, to help you do the right thing, if you send us a modest fee of \$15, we will send you one of 3 sets of new pictures / sounds / descriptions to be used with BOXEM. \$20 will get you 2 sets, and \$25 will get you all 3 sets. The available sets are ANIMALS, SPACE, and TRANSPORTATION; and each set contains 6 pictures / sounds / descriptions. The registered version of BOXEM also includes detailed steps on how to include your own pictures, sounds, and descriptions into BOXEM.

If you, or your little ones, like BOXEM, then send in your payment, get some extra pics, and make everybody happy. The BOXEM registration (and payment) form can be printed from the main BOXEM menu 'Registration->Print Registration Form'.
