SHORT DESCRIPTION:
Top Draw is an incredibly powerful yet easy-to-use object-oriented drawing program for desktop publishing, brochures, newsletters, manual illustrations, logos, business cards, diagrams, and much more.

MEDIUM DESCRIPTION:
Top Draw is an incredibly powerful yet easy-to-use object-oriented drawing program for desktop publishing, brochures, newsletters, manual illustrations, logos, business cards, diagrams, and more. Its long list of features includes an excellent "shape palette", layers, gradient fills, patterns, amazing line styles, text that wraps to fit shapes, notes, aligning and transforming commands, and more. Requires Windows 3.1, 80386, VGA, 2MB RAM, 2MB HD space. Shareware $39.95-$59.95.

LONG DESCRIPTION:
Top Draw is the sophisticated drawing program for people who need to create quality drawings quickly. It is easy to learn, and easy to use. No artistic talent is required. This object-oriented drawing program is ideal for desktop publishing, brochures, newsletters, manual illustrations, logos, business cards, diagrams, and more.   Its long lists of features includes: Complete on-line context-sensitive hypertext help. Multi-level undo. Unlimited named layers. Open multiple drawings at one time. WYSIWYG text editing. Text wraps to fit shapes. TrueType font support. Notes. Create custom pens, arrow heads, and arrow tails. Calligraphic effects. Three gradient fill types. Pattern and Tile Textures. Full Bezier curve support, as well as polyline shape editing. Powerful aligning, spacing, and transforming commands for precision layouts. Import/export WMF. Drawings can be created using pre-defined shapes from the handy Shapes Palette, or you can easily draw your own. And much more!   Requires Windows 3.1, 80386, VGA, 2MB RAM, 2MB HD space. Shareware $39.95-$59.95

REGISTRATION:
$39.95 for: Newest version disk; additional pre-drawn symbols; one free upgrade, full technical support.
$59.95 for: all of the above plus a 150+ pg printed manual.

DISTRIBUTION FORMATS

The install program provided with *Top Draw* works for 3.5" and 5.25" high density media, 720K media, 360K media, CD-ROMs, and with BBS files unzipped in a hard drive directory. *Top Draw* is normally provided on 3.5" HD media. For the installation program to work properly with lower density media, files *must* be copied to the proper disks. Microsoft LZ compression is used for diskette distribution. PKZIP high-compression is used for BBS distribution.

BBS
> See **SYSOP.WRI**. Check "BBS Version" to receive BBS installation disks.

CD-ROM
> *Top Draw* can be installed normally, copied to a CD-ROM directory, and run directly from a CD-ROM. Use the BBS version if the CD-ROM will be used mainly by SYSOPs, or if multiple formats are used.

3.5" HD (1.44M) Distribution
> Copy the files as provided.

3.5" DD (720K) Distribution
> Disk 1: `INSTALL.EXE, FILE_ID.DI_, TOPDRAW.EX_, HELP.P1_`
> Disk 2: Everything else.

5.25" HD (1.2M) Distribution
> Copy the files as provided.

5.25" DD (360K) Distribution
> Disk 1: `INSTALL.EXE, FILE_ID.DI_, TOPDRAW.EX_`
> Disk 2: `HELP.P1_`
> Disk 3: Everything else.

Note: Please do not distribute files downloaded from a BBS on floppy disk. The installation process will be inconvenient. Request the Diskette Version and get a *customized* copy with your company's name (details below).

TOP DRAW™ **DISTRIBUTOR LICENSING**

A Distributor License is FREE to all bona fide Disk Distributors, BBSs, User Groups, and Software Retailers. The license will remain valid for future versions of *Top Draw* as long as the distributor continues to comply with the terms of the agreement. No renewal is necessary. Please note that copying and distribution of the registered version of *Top Draw,* or associated User ID's and Keys, is prohibited.

FREE COPIES:
Copies of *Top Draw* Shareware Version may be made and distributed freely as long as 1) no fee of any kind is charged and, 2) none of the files are modified or deleted. In this case, no application is necessary.

ASP VENDORS:
No application is necessary prior to starting distribution, if you agree with the terms of the Distributor License (below). If you would like to receive a copy of *Top Draw* customized with *your* company's name, or if you need the program files in a different format, please fill out and send in the Distributor License application.

NON-ASP VENDORS:
Written approval from the author is required prior to starting distribution. Please apply.

NOTE: If you received a disk from Top Software (or Nildram Software in the UK), and you agree with the terms of the Distributor License, you have permission to begin distribution immediately.   Please fill out and send in the Distributor License to indicate that you wish to continue to receive updates.

BBSs and USER GROUPS:
BBSs and User Groups may copy and distribute *Top Draw*.   User Groups may charge a nominal fee in order to cover library cataloging and copying costs. Copying and distribution must be terminated upon request by the author. If you would like to receive a copy of *Top Draw* customized with *your* organization's name, or if you need the program files in a different format, please fill out and send in the Distributor License application.

ROYALTIES:
Currently, no royalty is required for distribution of the Shareware Version of *Top Draw***.** Royalties may be requested in specific instances.

TO APPLY: Complete the Distributor License application and sign it. Send to:

       Top Software   Phone/FAX: (303) 838-0384
       P.O. Box 1141
       Conifer, CO 80433

In return you will receive the Distributor License with the author's signature, which gives you written authorization to distribute *Top Draw*, and an authorized copy of *Top Draw*. Your authorized copy of the program will be personalized to show "Distributed By: <your organization name> " in the "sign-on" and "About" dialogs of the program. This information will be requested of users when they register in order to track the registration performance of various distribution channels. You will receive disks for new program versions and maintenance upgrades as they are released.

   • Contact Top Software if you have any questions about distributor licensing.

   • *Top Draw* and Top Software are trademarks of Top Software.

<div align="center">

***TOP DRAW*™ SHAREWARE DISTRIBUTOR LICENSE**

</div>

1. The fee charged for diskettes will not exceed $20 total. (Not applicable to CD-ROMs).

2. Your library's catalog or listing will state that shareware is not free, but is copyrighted software that is provided to allow the user to evaluate it before buying. If registration fees are listed, refer to the documentation accompanying the diskette for current rates and options.

3. This license may be terminated by the author at any time. Diskette and BBS distribution: Offering and sale of *Top Draw* will be stopped immediately at any time the author so requests. CD-ROM distribution: No new masters will be created using *Top Draw* after the license is terminated.

4. Copies of *Top Draw* distributed will be complete and unmodified.

5. Problems or complaints about the program will be reported for investigation and correction. The author also appreciates favorable comments.

6. Information on the number of copies of *Top Draw* sold/distributed will be provided upon request.
