Bank of Mingo

Williamson, WV 25661

Hello Mr. Brumfield:

The Burch Elementary School 4-H is very active not only during meeting at school, but by also sponsoring 4-H Community Service Projects assisting people in our area. During the Christmas season, our club sponsored the Burch Elementary School Canned Food Drive & the Blankets for Blessing Project where we collected over 100 blankets from staff and students and gave to the residents at the Mingo Manor Nursing Home.

We would appreciate a donation from Bank of Mingo to purchase 4-H shirts for our club and adult leaders and to assist in our monthly 4-H Meeting.

Thank you for your interest in our school, you are welcome to stop by and visit Burch Elementary School anytime. We are working very hard to make a positive difference in the lives of our students.

Sincerely:

Mrs. Deborah Starr
