To Whom it May Concern:

I am writing this letter of recommendation for Tonya Hagy, Burch Elementary School Registered Nurse for the Mingo County School System.

Presently, Ms. Hagy is contracted three days a week for Mingo County Schools, she is employed by the Mingo County Health Department. It would be in the best interest of our students, to have Tonya acquire the posted fill time nurse's position for Mingo County. Ms. Hagy is an excellent nurse who provides a caring disposition. She is very knowledgeable with school policies and collaborates well with the staff here at Burch Elementary School. As a school nurse, she uses all materials and resources available to her to meet the needs of our children.

Ms. Cooper has an excellent understanding of teaching speech pedagogy. She shares her insight with her peers. Teachers are always looking to her for creative ideas and appreciate her passion for student learning. Jessica Cooper is a caring teacher who would be an asset to any given organization.

Sincerely yours,

Mrs. Deborah Starr

Asst. Principal
