To Whom it May Concern:

It is a pleasure to recommend Kathy Belcher, a special education aide here at Burch Elementary School, to receive the Mingo County Service Personnel of the Year Award.

I have known Kathy for four years, during this time, I have witnessed repeatedly her caring and nurturing personality as she exposes her students to intellectual challenges. Kathy is eager to offer her expertise in any way, often when the nurse is unavailable; I call on Kathy to assist with various situations regarding a health issues with our students. She continues to acquire professional development to enhance her overall performance both in and out of the classroom. I am confident that Kathy enables students with exceptional needs to participate fully in class and strives to make a difference in their lives and is especially attuned to individual differences in our children. Thank you for your consideration for Kathy Belcher as the Mingo County Service Personnel of the Year award winner.
