It is a pleasure to be a part of the Mingo County 4-H Adult Leaders Association. I have known West Virginia Extension Agent, Mark Whitt, for many years. During this time, I have attended: monthly adult meeting, special event activities such as the King Coal Festival, volunteered at our Mingo County 4-H Camp, and attend Jackson's Mill for participation in student and adult 4-H functions.

Mark has proven many times over to be a valuable asset to the 4-H Community. He has a genuine love and concern for our children and goes above and beyond to meet the needs of our clubbers. He recognizes the need to teach awareness, acceptance, and cooperation to our students and volunteers. Mark absolutely contributes to the development of our children and others as he helps them to become people of good character and who care about each other.

As the Burch Elementary School Assistant Principal, I also work closely with Mark to meet the needs of our children during our monthly 4-H Meeting. He encourages us to participate in 4-H Community Service Projects and assists us in any way.

I am proud to be a part of the 4-H organization and plan to continue to do so for many years to come. Mark Whitt is a true 4-H'er who goes above and beyond to make a positive difference in our children as we all strive together to "Make the Best Better!"
