Suggestions:

Parent Signature _____ (if returning this form to the teacher)

The midterm report is to inform our parents before the report card day that your child needs to improve in the subject above. This should be used by the teacher and parent in order that the child may improve or raise the area (s) that are checked. Please contact the school by phone (475-2141) or use this form. The teacher will schedule a conference date and time.
