To the Wal Mart Corporation:

Our students at Burch Elementary School are in the process of integrating a science experiment using various sizes of pumpkins. We would greatly appreciate our local Wal Mart donating these pumpkins for us.

Thank you for the support you give to our schools as we are striving to enhance student learning.

We are working together to make a positive difference in the lives of our students.

If you have a question, please call at 304-475-2141.

Sincerely

Mrs. Deborah Starr
Assistant Principal
Burch Elementary School
