Dear Parents & Families:

Thanks to the fundraising of churches from *Hope for Appalachia*, your child has been chosen to be a part of a wonderful Christmas activity on Saturday, December 13th, at 12 o'clock, here at Burch Elementary. You are invited to a Christmas Celebration along with your family to see a puppet show, play games, hear a gospel challenge, and have refreshments! Each child will also receive a beautiful backpack full of food, school supplies, & toys. At least one family member must attend with the child to participate in this wonderful event.

Please sign and return the bottom portion back to the school by Tuesday, December 9th so the project members can have your child/children's backpack prepared. We are excited to have Hope for Appalachia visit Burch Elementary School.

Thank you, have a blessed Merry Christmas.
