Teachers, here are a few reminders:

- Sub Packets must be turned in by Friday, have them prepared with at least 3 days of lessons
- Class schedules need to be turned in by Friday, a copy must be posted outside your door on board
- Students are to keep playground area clean, this will teach them responsibility & accountability
- There is a new Xbox in my office, you are welcome to use this as a reward and incentive for the classroom
- During your planning period on Thursday or Friday, stop by my office for a moment. We have great fun and educational activities and prizes for all classes thanks to Modern Woodsmen of America!
- Our next ***The Family That Reads Together, Succeeds Together*** will be Tuesday, September 11, work your DIBELS schedule around this day. Everyone should finish in the next couple of days.
- Fundraiser coming up next, more info to follow

I know we have had a first couple of very busy weeks, hopefully, we are transitioning into having another successful school year. I appreciate your love for our children and your dedication to education.

Thank You

Debbie
