WHAT YOU GET WHEN YOU ORDER

When you order AceReader Pro you will receive the latest fully functional version of the program. The difference between the DEMO and FULLY FUNCTIONAL version of AceReader Pro are:

- The FULLY FUNCTIONAL version does not have the 30-day usage limit.
- The FULLY FUNCTIONAL version comes with an additional 247 reading/comprehension tests that are broken out by grade levels 1-12 plus an additional adult level, giving you a total of 260 (20 per level) reading/comprehension tests. The demo comes with 13 reading/comprehension tests.
- The FULLY FUNCTIONAL version does not have a the 11 activity limit per course.
- The FULLY FUNCTIONAL version does not have the higher speed limitation.
- The FULLY FUNCTIONAL version does not have the initial registration screen that pops up when AceReader Pro is started.
