I’m begging for a dime!

Please give me some coins, please!

I’m crypto-beggar[1].

And I have no other way to contact you except this. I know, it sounds weird.

My Bitcoin address for money is `1Cpya2hGm4gws9jsXNabBJtSuEeGhS8vaL`

My Bitcoin address to be scanned by QR-code scanner

What you’ll get? Your name will be listed here, among list of kind souls.

How to reach me? Please get BitMessage at https://bitmessage.org/ and send me a message to the address: `BM-2cTD7aEP6GadDBYKJEeymbzn422G77qfK2`, so I will include you in the list of souls.

Not interested? Well, at least you can chat with me about my struggling life.

Not interested at all? Please pass this file (or page) to your fellows then.

God bless you!

Kind souls

John Doe (¢10), Jane Roe (¢25).
