Jessie disappeared from North Las Vegas, Nevada between March 28th and April 3rd, 2006.

She was last seen at 1009 Cornerstone Place with her "boyfriend" Peter Todd. Peter, a pimp, has a prior conviction for spousal assault.

Prior to her disappearance Jessie traveled to Nevada, New York and Florida with Donald Vaz.

She was recruited in Calgary by Yvonne Hubrechtsen to work in Las Vegas.

Jessie may have fallen victim to an international human trafficking ring.
