

DAILY BULLETIN NO. 143

Monday, April 20th

Some idiot guy's top reasons NOT to live here (kinda funny tho)...

Do you really want to live within close proximity to Wisconsin? What if you make a wrong turn and accidentally drive across the border. Suddenly you'll look yourself in the mirror and realize I'M IN WISCONSIN. You'll be thinking about all the missteps you made in life that brought you this point (Wisconsin). Are you ready face all that? Are you ready to wallow in regret, and in Wisconsin of all places?
