Congratulations to the class of 2018 (freshmen) who broke or tied every school record in the fabulous human horsepower science activity. Dusty Demenge broke Billy Staska's most powerful man record with 1003.5 Watts. Aaliyah Hart shattered Sasha Leibold's record for most powerful woman with 799.9 Watts. Daquawn McCray tied Preston Hurd's power/mass rating with 12.2W/kg. And Anabel Marotz tied Casey Pierce's ancient record with 10.7 W/kg. We had many other amazingly powerful performances by the potentypowerpackedpeople of the freshman class of Mercuries. Don't mess with 'em.

There is a High School Band and Choir concert Saturday at 6:00! No matter your taste in music, there will be something for everyone! In addition to band and choir, you'll get to hear some great soloists! \$5.00 for adults and \$3.00 for students.

Atten. Seniors: Any plans for the weekend? Well, don't just sit around. Bake! Seniors have concessions next Monday and Tuesday nights. With the holiday coming, baked goods should sell well. Also, we can always use workers. If you've never worked concessions, you haven't lived. Please join us for all the fun. Monday and Tuesday, the 8th and 9th.

Anyone interested in doing Honors Online next semester needs to see Mr. Fischer ASAP.
