Those kids who have Science during 6th hour normally will be testing in the library during 6th & 7th hours. 8th graders should report directly to the library for these tests.

NHS and Jr. NHS: We will do tree planting at the Rice Lake Refuge on Friday of this week for our second community service group project. We will leave at the beginning of period five and return before the busses take students home. As with the highway clean-up, make sure to have gloves and appropriate footwear. Dr. Baumgardt will pass out field trip permission slips.

Today will be the final Talent Search meetings for 6th, 10th, 11th, and 12th grades. Did you know that this group of seniors have combined to participate in over 315 meetings, campus visits and Talent Search activities? Did you also know that Seth Irwin has attended the most since joining in 6th grade with 94? Congratulations to all seniors!

Reminder to volleyball players: you need to hand in your permission slips for camp. If it's a money issue...see Mrs. Wahlin.
