Congrats to the girls for their win over Cook County last night!

Martial law will be lifted on the McGregor students starting Friday and open lunch will be restored provided there is no skipping today and that students conduct themselves appropriately (no illegal activities including reckless driving), students do not leave the building during lunch on Mon-Wed, and students check in at office before leaving the building at other times. If you don't know what Martial law is, ask your history teacher or look it up on Wikipedia. Students will still need permission and an escort from the principal to go to cars during the day. Don't be one of the few that ruin things for the majority. This is the last chance. Mr. Staska

Help Needed!! - Delaney needs help on Friday and Saturday with the Dance Recital. Hours can be used for NHS. Please see her ASAP if you can help.

Lockers 2013/14: The locker "wish list" for next year is on the counter in the hs office. If you have a group that would like to be near each other, please fill it in and I'll do my best to accommodate you. No "boyfriend/girlfriend" combos. Also, grades will be kept in the same area. Deb

ALL LIBRARY BOOKS ARE DUE MAY 23. Next week names will be listed in the bulletin of who's got a book out - and there are A LOT of you!! **REMEMBER, NO REPORT CARD AND/OR DIPLOMA UNTIL THESE BOOKS ARE IN.**

Summer Naturalist Position @ Long Lake Conservation Center. Long Lake Conservation Center (LLCC) is looking for enthusiastic, outdoors people to serve as Summer Naturalists—this could be the perfect job for a naturalist, a rugged outdoors person, or anyone in between. LLCC is Minnesota's original conservation education summer camp (40+ years), and a leader in outdoor education. Positions are expected to fill quickly. Potential applicants can call or email with questions. Ryan Perish 800-450-5522 or <http://www.llcc.org/>
