**The results of the Steve's class monster election are in.** In the final round there was a tie between Mr. Staska and the Wendigo. A tie-breaker vote was taken by the Botany class (who started all this nonsense in the first place) and Mr. Staska emerged victorious as the scariest monster the Mercuries can think of. He also beat out clowns, vampires, ghosts, slenderman, werewolves and Deb.

As you can see, Cheryl Meld & her helpers spent a lot of time decorating the commons for tonight's little kids halloween party. Please be respectful and leave the decorations alone.

**From the Red Hat Society -** Wednesday, we were thrilled to have the choir perform for us at a Red Hat luncheon. Julie and the kids did a wonderful job --very impressive. They were grinning from ear to ear when they finished -- although it's hard to say if that was from the standing ovation or because they were out of school ! Thank you also Mr. Staska and Mr. Grams for allowing them to come to Fireside and helping to make this possible.
