Message to all high school students. There has been some misbehavior in the cafeteria in the mornings in the tray return area. You need to set a good example for those little ones that are also having breakfast and are trying hard to follow the rules. Be respectful and return your trays the proper way. Mr. Staska

Students: Per Mr. Staska you may NOT write on your lockers with markers!

No ALC next Wednesday due to MEA.

Any band/choir students that have designs for our Washington DC t-shirts should have those to Ms Goulette by **tomorrow**. We will vote on them early next week. Thanks!

Seniors: The following students still need to turn in their senior packets for the yearbook to Mrs. Ryan, along with a picture when they were young, parent ads and any group pictures from elementary/middle school years. Please get these in as soon as possible as we have yearbook deadlines coming up. Thank you! Auston Anderson, Keenan Gonzales, Chase Hoover, Sophia Jacobs, Morgan Kowitz, Tate Lake, Ashlinn Moore, Spencer Passer, Tommy Scollard, Markus Sobotta and Karlee Tierney.

Think private college is out of reach? Think again. Last year alone, Minnesota's private, 4 year colleges gave out over 477 million dollars worth of institutional and private grants and scholarships that students did not have to pay back. In addition, the graduation rate at Minnesota's private colleges is the highest in the Midwest and ranks 4th nationally. Many of your teachers attended these great institutions, so ask them about it! Check out their door signs to find out who! And don't forget, you are college material.
