

DAILY BULLETIN NO. 4

Friday, September 7th

Happy Friday!

This Week's Activities

Friday

- FB @ Kellhier; bus leaves @ 2:30; dismiss students @ 2:15; Cheerleaders should be dismissed at 3pm

Congratulations to the Volleyball team for defeating Floodwood 3/2 last night!!

Homework help/ Open computer lab will start on Tuesday Sept. 11 and will be every Tuesday and Thursday 3:30-5:30 in the first floor computer lab. **Note that it is no longer in Room 109.**

Today is the last day to request class schedule changes.

Deb needs a student to do the inside and outside calendars. You MUST have a signed ok from your teacher. This would only be 1 or 2 days at the beginning of each month. There will be treats that include sugar.....

SH lunch off campus. Reminder to students in grades 10-12 that you must have the official permission slip from your parent signed and returned to the office before you can leave the school on Thursdays and Fridays each week. For those of you who live in town, there is also a permission slip that needs to be signed and returned for you to go home for lunch each day. Also, keep in mind that your permission can be revoked by the school at any time if you don't behave yourself while off campus!

Vending Machines in the Commons: We are going to try some different products in the soda machines this year. Almost 3/4 of the sodas will be in cans and sold for \$1.00. We made this change for several reasons: (1) cans can be sold for a lower price; (2) they are more environmentally friendly; and (3) we can offer a greater variety of flavors. The down side is that cans cannot be resealed once they are opened so things could get messy if we are not careful. As long as spillage is not an issue, we will continue to sell cans. If we do not clean up our messes, we will have to go back to the higher-priced plastic bottles. There are some products in the Coke machine that are still in bottles because those particular items are not offered in cans. Finally, PLEASE use the recycling bins throughout the school when discarding your cans. Thanks.
