

**ccTLD AMENDMENT
TO
PARTNER PROGRAM AGREEMENT**

This ccTLD Amendment to the existing Partner Program Agreement (the “Amendment”) is by and between Company and Network Solutions, LLC, a Delaware limited liability company (“Network Solutions”).

RECITALS

WHEREAS, the parties have entered into a Partner Program Agreement (the “Agreement”);

WHEREAS, the parties desire to amend the Agreement to allow Partner the ability to purchase ccTLDs made available through Network Solutions’ Partner Portal;

NOW, THEREFORE, in consideration of the mutual covenants and premises contained herein and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Network Solutions and Company hereby agree to amend the Agreement as follows:

1. Defined Terms. Except as otherwise provided herein, all capitalized terms used in this Amendment shall have the same meanings as provided in the Agreement.

2. ccTLD. The following will be added to the Agreement:

“In addition to acknowledging and agreeing to the terms and conditions in the Agreement and the Service Agreement, you acknowledge and agree that for any and all purchases of Country Code Top Level Domains (“ccTLD(s)”), you, your resellers and/or Registrants represent, warrant and covenant that each will comply with the terms and conditions imposed upon each by the ccTLD registries, including, but not limited to, governing law, indemnification, eligibility and nexus requirements imposed by such registries as further described in Schedules B, C-3, C-5, C-6, C-7, C-8, C-11, E, F and G of the Service Agreement. For clarification purposes, “You”, “you”, “Your” or “your” as used in this Amendment shall refer to you, your resellers and/or your Registrants; moreover, you, as Partner, are hereby representing and warranting that you have the requisite authority to act as your resellers and/or Registrants’ agent. In addition, “ccTLD” shall mean a domain name with a country code top-level domain as identified by ICANN (e.g., .eu for the European Union, .us for the United States, .de for Germany). The term “ccTLD” specifically does not include domain names in the .com, .net, .org, .biz, .info, .name, .aero, .coop or .pro top-level domains, nor to any other gTLD now existing or identified by ICANN in the future.”

3. Authority to Bind. You represent, covenant and warrant to Network Solutions that you are an authorized representative of the Company for which this Amendment will apply.

4. General. This Amendment amends certain terms and conditions of the Agreement. All other terms and conditions of the Agreement that are not modified by this Amendment shall remain in full force and effect. Should there be any conflict between the terms and conditions contained in this Amendment and the Agreement, the terms and conditions of this Amendment shall control.
