

Fact Sheet .MOBI Domain Registration Service

Go mobile with .MOBI from Network Solutions®!

Did you know...

- Four times as many mobile devices as PCs are purchased daily?
- The Web site at your current .com/ .net/ .org domain may not be mobile-compatible?

Help your customer to reach these mobile Internet users with a domain and a Web site designed just for them!

.MOBI Benefits

Reach mobile device users:

- .MOBI Web sites can be viewed anytime, anywhere with mobile Internet access.
- Put your business information at your customers' fingertips –maps, directions, promotions, hours of operation, and more.

Protect and expand your brand:

- Register a .MOBI domain name to prevent unauthorized use of your trademarks, brands and licensed names.
- Complement your .com, .net, and .org domain names to broaden your reach.

Widen your market:

- More people in the world have an Internet-ready mobile device than have a PC with Internet access.
- A .MOBI name tells your customers your Web site is mobile-friendly!

Use with ease

- Works just like a .com domain name.
- Follow .MOBI guidelines for Web site design and creation.
- Backed by Network Solutions' partner support.
