Fantasoft LLC

Your Mac Fantasy Factory
--- Presents ---

Divine Right™

Divine right helps you perfect scenarios produced using Divinity and also play scenarios developed by others.

You can order Divine Right which allows you to play scenarios developed by others as a stand alone package -OR- you can get it as part of your Divinity purchase.

For more information on Divine Right and Divinity see the chapter "Building Your Own Scenarios" in the manual or point your web browser to <http://www.fantasoft.com>
