

it all ends here...

APPLAUD OR BE SHOCKED!

The badtext ceases. The crowd leaves, most dissapointed with the nothing speech they got. A man mumbles something about "That dumbfuck kid stood up there for an hour and didn't say a thing.." But the beautiful thing about it is that I don't give a fuck....

Maybe I'll take out an ice pick and kill you in the night but i probably won't. Maybe this will go on forever even though there's only a centimeter left under your scrollbar. A dialog in a screenplay. The rant of a raving madman. It's all the same. Only words.

Applaud? Why? I don't appreciate the dumb shit you showed me. I don't even understand it. I'll just sit here, semi-slack jawed, and pretend you're smarter than me,,,,,,,,,,,,,b00m bahf ge gahf bppp9oig\\' fuck the l0pht, fucking hypocrit sellouts. business ownz them, they'd sell their souls for dah \$. they'll back the fucking nazis and take it in the ass as long as they get attention from the stupid fuckin lamerz and media. defy the fucking trend. think for yourself. get raided.

It's all white boy shit anyways. I bet he has long hair and smells like dick. Never combsit and thinks he's a rebel. It makes me laugh. "Heh." I say, slouching down uncomfortably hoping the next one will say something different.
