

## Welcome To The TOS Tool

Welp ....For All You That Bugged Me For A New Tool .....Here It Is, And You Can Do What You Want With It.

OK This Tool Took Me A Pretty Long Time To Make , So All I Ask Is If You Dont Like It ..Then Dont Use It.

This Tool Is Alot More Proffesional Than OJ Tool Was. And It Has Cooler, More Advanced Options.  
I Went Crazy To Get Some Of The Area's You All Wanna See, So I Hope You Like It.

Yes These Tools Are Not Only Designed To Make AOL Easier, But In Fact To Make AOL More Fun. As We All Can See MacWarez Is Dieing A Bit And People Are Taking Off To IRC Like Theres Gold There. Welp For Those who Dont Want That To happen All I can Say Is Its Up To You. You People Started MacWarez ..You Can Keep It Going.

Also I Take No Responsibility For Any Stupid, Moronic,Idiotic, Twisted Or Sick Minded Thing You May Cause Or Do Using This Tool.

Enjoy! Have Lots Of Fun
