

Licensing Info/Site Licenses:

MacLifeInsurance is shareware—or try before you buy software—which means that you can freely distribute MacLifeInsurance 2.0, but that you have to pay the registration fee (\$29.95) if you use it.

After 30 days, you must either pay us the registration fee, or delete all copies of MacLifeInsurance from your system.

Each registered copy of MacLifeInsurance 2.0 is licensed for use on one machine only. For larger orders or site licenses, please call Adam Stein at 908-548-5107, fax us at 908-632-1766, or contact us via email for a price quote or more information.
