

## Music Madness CD-ROM Volume II

### More Multimedia Clip-Tunes...

#### 645 Megabytes!

The Music Madness II CD-ROM features over 600 megs of music, tools, and effects. Support is provided for System 7, HyperCard, AIFF, AudioShop and Sound Factory, our tune sampling and building HyperCard interface.

With the tools provided on the Music Madness II CD-ROM you can utilize the 158 individual music and effects clips provided to build your own tunes, add sound to your Macintosh, create sound files, add sound to your multimedia projects or applications, create music effects, learn about sound, or become your own sound stage manager. Six (6) music topics are available including Jazz, Rock, Funk, Latin, Drums and Cool Licks. These files can be utilized separately or together to create your desired sound piece.

(Please see Volume I for more information on the Music Madness CD-ROM Series.)

#### Music Madness Strikes Again!

Music Madness has struck again with Volume II of this popular series. To get your copy of this 645 Megabyte Royalty-Free CD-ROM library, call or fax us today!
