

IGS Monthly:

IGS Monthly is our monthly shareware publication that brings Macintosh users the hottest shareware—hand picked by Adam Stein, the President of Insanely Great Software each month from Compuserve, America Online, and the Internet. Subscribers also receive every shareware release from Insanely Great Software—including **FREE** upgrades to IGS products like the System 7 Pack! delivered to their door every month! IGS Monthly is only \$59.95 per year, and a pro-rated money back guarantee is available at any time. If you like shareware, you'll love IGS Monthly!

Your Macintosh shareware connection!

If you want the hottest Macintosh shareware each month—hand-picked by Adam Stein, the President of Insanely Great Software—then you should subscribe to IGS Monthly!

Don't miss another issue. Call or fax us today to start your subscription.
