Disclaimer: I [Q-Ball] nor CHAOS Zine nor anyone else writing for CHAOS take any responsibility whatsoever for any actions you may take regarding the information given. Anything you choose to do with this information should and must be for educational purposes only. Some articles contain illegal, wrong, and sometimes dangerous acts. I do not condone any software piracy, the destruction of computers or cracking of programs. Again, no one can take responsibility for your actions but yourself.

BUT, I personally don't care what the hell you do with any of this stuff. Just don't come crying to me or the informant (whoever it may be) if you get caught doing something other than using it to learn. Oh, yeah and if you see a grammar error or a mistake, screw it.
