

Reader's Opinion of THE MONTH

For obvious reasons, there is no reader's opinion this month. If you don't know why there isn't one, then there is no hope.

If you have a opinion of the month or any thought for that matter, send it in to i_suck@mindless.com. If you have a thought about killing the President, send it in to president@whitehouse.gov. They absolutely love fan mail so get those letters in right away!
