

PIC of the MONTH

This place is for all of you artists to show your artistic talent. Art can vary from computer based graphics or it can be drawn on paper (NO LIMITS!!) and sent to me by e-mail (if you have a scanner) but please don't make them too big or I'll have to shrink them to fit them on the page.

This Months pic will be by me. Since I have not gotten any other entries, of course. I call him shaft. No idea why, it just sounded cool. I drew the body and scanned it and added letters later.
