

In the END

Well, I hope you liked the first issue of C.H.A.O.S. Zine. Hopefully CHAOS will be accepted and well liked and continued for a long time. Please Please Please send me feedback and comments about this e-zine or about anything else.

Keep the jive alive baby!

Next Month...

- I'll cover how to screw Wal-Mart.
- I'll show you some phun with ResEdit.
- I'll tell you how to make [k]s.
- My thoughts on Micro\$oft.
- Hopefully we'll have articles and pics sent in for next issue by the readers.
- Till next time...
