EMC Distribution

WWW: http://altitude.firsttech.com/ntbbs/emc.html

FTP: None, as of now

IRC: EFNet - #emc - nick: emcCTCP   (/ctcp emcCTCP xdcc send #N   N=Volume #)

E-mail:

To subscribe to the emc mailing list, send mail to:
'subscribe@altitude.firsttech.com' leave the subject line blank, and in the
body of the message, put the following:

subscribe emc yourname

(any lamers entering in 'yourname' will be automatically erased from the list)

That's it. Soon afterwards you will get a message back from the listserver
confirming your subscription.

NOTE: This list is for distribution of emc volumes only. It is not an
open-discussion list. If you have something to contribute to emc, or just
some general comments,   send mail to 'freakman@altitude.firsttech.com'
