

Welcome to MacAddict Hacker Magazine

This magazine is dedicated to hacking the MacAddict CDs that come out each month with MacAddict Magazine. We are hacking the trialware, demos and other software included on the cd. This magazine is also a great electronic magazine for news in the underground macintosh world. I hope that you enjoy this magazine and thank you for reading.

Disclaimer of warranty:

In using the software, you understand and agree that this software is provided "as is" without warranty of any kind. The entire risk as to the results and performance of using this software lies entirely with you, the user. The distributor does not make any warranties, either expressed or implied, including but not limited to implied warranties of merchantability and fitness for a particular purpose, with respect to this software.

In no event shall the distributor be liable for any consequential, incidental, or special damages whatsoever (including without limitation damages for loss of critical data, loss of profits, interruption of business, and the like) arising out of the use or inability to use this software. Because some states do not allow the exclusion or limitation of liability for consequential or incidental damages, the above limitations may not apply to you.
