Harpo

Harpo's Numbers

I will not include my list of sources-don't ask-it suffices me to say that I used dang near every source I could get my hands on! The advantage of this list is that EVERY NUMBER IS GOOD. I personally tested almost every number (except for gear box and a couple others. Why use gear box, when the newest FreePPP is miles ahead of it?).

Disk & File Folder

DiskTracker 1.1.2
Name: Zeus-
Serial: YOMGIICWWO

User Interface Folder

Aaron Light 1.2.3
I don't use Aaron anymore, but holding down the return key during startup used to register it.

CoolViews 1.0.1
Name: Akuma Code: A4CM7X

CopyPaste 4.0.5
Try renaming the extension from CopyPaste toCopy-Paste. (I didn't try this-it's late and I'm tired)

D' Studio 1.1(V1.0
worth a try) aze-2241-abc-7482 (this crashes on my computer-I haven't tested it)

Default Folder 2.8
Macaddict Hacker (put anything for organization) and 2981 as the password. Do not use Hackers Helper's numbers. Trust me.

DoubleScroll (OS 8 Only) 2.2
11000*FT33\$2931

DoubleScroll 2.1.2
11000*FT33\$2931

DragStrip 3.1.2
Name: Akuma S
erial Number: u4Q Authorization Code: stuv

DragThing 2.1
DT2-014569-CMRN85I

GoMac 1.4.4
12301234-345672

Kaleidoscope 1.8.1
AC10-M345K-VW98C-359(probably works)

ScrapIt Pro 5.33
Name:MacAddictHacker
Copies:1
Sn: 0061-015-1448 or
Name 'Anonymous'
Copies:10
0610-090-0969

ScrollMagick 1.0.1
Hold down option-command-shift-control when clicking on the Register Online button

Snitch 2.5.1
Name:FC
Company: 0023
Note: Hold down the option key when clicking on the register button-it took me 10 minutes to figure that out!
