

ok here's what happened

Defect: y0 tm mang can i pingflood you?

marauder:uhh...sure

Defect:I have a 56k connection..can i start?

marauder:yah..i'm of a 56k to connected at 49333

ping

ok now here's where my comp locks up and i can't move

he is sending 44 byte packets

my modem looks like a po' car

Defect (on linux now):can i SYN flood you?

marauder:OK

i completely lock up. i cant move mah mouse
