EMAIL ADDRESSES: PBC02432@niftyserve.or.jp

STANDARD FILENAME: IOSAKANA.ZIP

SYSTEM REQUIREMENTS: Windows 3.1 or Windows95

SHORT DESCRIPTION: Flying Funny Fish Screen Saver (Sakana-Kana)

LONG DESCRIPTION:

You can see beautiful and mysterious fishes are FLYing in Sakana-Kana
Screen Saver landscapes; like Nazca ground picture, Kuei-lin rocks,
Arabian mosques, Alpine ridges and so forth. Basic-system contains two
scenes: Nazca Turtle and Kuei-lin Sunfish. Option-system contains five scenes.
As both WAVE and MIDI sound data are attachecd to each scene unit, you
can enjoy background music. Once registered, Option-system disk (1.44MB,
2disks) and your license number will be sent by mail.
The system runs on Windows 95.

REGISTRATION FEE: $25.00 per copy

KEY WORDS: animation fish saver screensaver sakana sakana-kana

DISTRIBUTION RULES:

                 All copies distributed must include the complete set of
                 Sakana-Kana files without alteration. (For a list of the
                 files, see ioreadme.wri.)

                 Distributors should make clear that Sakana-Kana is
                 shareware. Distribution of Sakana-Kana in any manner
                 that conceals the fact that Sakana-Kana is shareware or
                 that attempts to discourage users from registering

is prohibited.

If Sakana-Kana is compressed into a single file with a
utility such as PKZIP or LHA, the distributed file
should have a name which makes it readily recognizable
as Sakana-Kana.

Provided the above conditions are satisfied, vendors
of shareware on disks or CD-ROMs, bulletin board
operators, user groups, and software archives are
permitted to distribute unregistered copies of Sakana-
Kana and to make unregistered Sakana-Kana available for
downloading. Notification to INTER-OFFICE is welcome,
but is not required.

If you have any questions with this program, please write,
fax or-Email to INTER-OFFICE.
