

## **CONTENTS**

|   | <b>Page</b>    |
|---|----------------|
| Preface .....   | iii            |
| <br><b>CHAPTER 1. TYPES OF HAND GRENADES</b>                  |                |
| 1-1. Description .....  | 1-1            |
| 1-2. Components .....   | 1-1            |
| 1-3. Mechanical Function .....                                | 1-1            |
| 1-4. Fuzes .....  | 1-4            |
| 1-5. Fragmentation Hand Grenades .....                        | 1-6            |
| 1-6. Smoke Hand Grenades .....                                | 1-7            |
| 1-7. Riot-Control Hand Grenades .....                         | 1-9            |
| 1-8. Special-Purpose Hand Grenades .....                      | 1-10           |
| 1-9. Practice Hand Grenades .....                             | 1-11           |
| 1-10. Stun Hand Grenades .....                                | 1-12           |
| <br><b>CHAPTER 2. MAINTENANCE</b>                             |                |
| 2-1. General Assembly .....                                   | 2-1            |
| 2-2. Inspection Procedures .....                              | 2-1            |
| 2-3. Cleaning, Lubrication, and Preventive Maintenance .....  | 2-1            |
| <br><b>CHAPTER 3. EMPLOYMENT OF HAND GRENADES</b>             |                |
| <b>Section I. Introduction to Hand Grenade Training .....</b> | <b>3-1</b>     |
| 3-1. Hand Grenade Storing .....                               | 3-1            |
| 3-2. Hand Grenade Gripping Procedures .....                   | 3-3            |
| 3-3. Hand Grenade Throwing .....                              | 3-4            |
| <br><b>Section II. Tactical Employment .....</b>              | <br><b>3-9</b> |
| 3-4. Application .....  | 3-9            |
| 3-5. Close Combat .....                                       | 3-9            |
| 3-6. Plans and Preparations for Combat .....                  | 3-10           |
| 3-7. Employment Rules .....                                   | 3-10           |

**DISTRIBUTION RESTRICTION**—Approved for public release; distribution is unlimited.

\*This publication supersedes FM 23-30, 27 December 1988.

|---|--------------|
| 3-8. Offensive Employment .....                                   | 3-11         |
| 3-9. Defensive Employment .....                                   | 3-14         |
| 3-10. Retrograde Operations Employment .....                      | 3-20         |
| 3-11. Rear Area Operations Employment .....                       | 3-20         |
| 3-12. Use Under Adverse Conditions.....                           | 3-21         |
| <br><b>CHAPTER 4. TRAINING PROGRAM</b>                            |              |
| 4-1. Objectives.....  | 4-1          |
| 4-2. Training Courses .....                                       | 4-1          |
| 4-3. Collective Training.....                                     | 4-15         |
| 4-4. Sample Squad Situational Training Exercise .....             | 4-15         |
| <br><b>CHAPTER 5. GROUND PYROTECHNIC SIGNALS</b>                  |              |
| 5-1. Description .....  | 5-1          |
| 5-2. Capabilities and Uses .....                                  | 5-1          |
| 5-3. Handheld Signals .....                                       | 5-1          |
| 5-4. Surface Trip Flares .....                                    | 5-4          |
| 5-5. Simulators .....   | 5-5          |
| 5-6. Illumination Ground Signal Kits.....                         | 5-7          |
| <br>APPENDIX A. Live Hand Grenade Range Operations Checklist..... | A-1          |
| APPENDIX B. Hand Grenade Safety Considerations.....               | B-1          |
| APPENDIX C. Range Construction/Modification.....                  | C-1          |
| APPENDIX D. Threat Hand Grenades.....                             | D-1          |
| APPENDIX E. Obsolete Hand Grenades.....                           | E-1          |
| APPENDIX F. NATO Hand Grenades .....                              | F-1          |
| APPENDIX G. Reproducible Forms .....                              | G-1          |
| <br>GLOSSARY .....  | Glossary-1   |
| <br>REFERENCES.....   | References-1 |
