### <a href="mailto://www.asia.globalsources.com/"><a href="http://www.asia.globalsources.com/"><a href="http://www

Congratulations on ordering this product! we hope that this will help you save money on all your future purchases of video games ,electronics and many other products.

\*\*Every wholesale directory CD have some links that are outdated or have been moved. If a link does not work, please send the link to <a href="mailto:Dszczygi@rochester.rr.com">Dszczygi@rochester.rr.com</a> <a href="mailto://www.compose?To=Dszczygi@rochester.rr.com">www.compose?To=Dszczygi@rochester.rr.com</a> .

You must search the wholesale websites, do research and compare the products prices. Most of all you should talk directly to the wholesalers as the best and cheapest deals sometimes aren't listed on their sites. Sometimes the cost of a phone call could save you hundreds since item prices and quantities vary so.
