OK, this is one from my personal stash, so if you use it, don't tell them you learned it anywhere ... it is supposed to look like you have **ESP** for real.

Walk up to a girl and say, "Do you believe in **ESP**?" Remember to SMILE or you may startle her. "Just think of the first # that pops into your head from one to four. Dont say it. Just think it ... now take that # and imagine that it is drawn on a blackboard in your head. Have you done that?"

She says OK

"Whats so neat about timagination is ... we both have it ... On the blackboard, I see the number ... three."

Whether you get it right or not reply.

"Alright, lets try this one more time. This time this of a different # from one to 10. Got it? Picture it in white chalk on the blackboard ... you are thinking of the number ... 7."

If you got the first wrong and the second right, you look like you finally got it ... a 1 in 10 chance. If you get BOTH right (a 90% chance seeing as it is a pychological trick where most north americans naturally choose 3 and 7 as their first picks) thats a 1 in 40 chance ... "and of course I dont stake my reputation on mere chance."

If you get the first right but the second wrong or both wrong, say ... "PROOF! **ESP** does NOT exist!" then start to laugh like this "Mooa ha ha ha ha ha ha ha! And you believe in **ESP**!" a good neg hit to start. If she mentions that most people pick 3 and 7 (most girls wont know this though) just say, "really? hmm. didnt know that ... thank you Cliff Claven." (from Cheers)

If you take the wording I have and do this EXACTLY as stated, you will be surprised HOW well you will do. When they ask HOW, tell them ... I DONT KNOW. Tell her you can SEE the #s on your imaginary blackboard. This is NOT a trick. You hate magicians. If she wants you to do this again, tell her ... "dont be greedy now."

Speaking of greedy ... if a girl kisses you on the cheek and goes to kiss your other cheek, tell her, "Only one ... don't be greedy." This is a good NEG HIT. Mild but a neg hit none the less. If she says, "Yes, but Im french", you reply, "Are all french girls as greedy as you?"

This is an excellent lead in to the connections pattern I gather.

I use this and I swear I've laid 15 girls with this intro. No kidding. Its playful, fun, connects with their beliefs and when you get it right, you are SKILLED with some weird intuition.

Go to it. 50 girls in 1 week. 10 girls a day for 5 days. 3 to 4 girls an hour. 15 to 20 minutes a girl. FIND a good place packed with girls to save time between girls.
