

## **ORDERING INFORMATION**

DK Multimedia titles are available wherever CD-ROMs are sold or from your local DK Family Learning adviser. New titles will also be available on a regular basis. For more information contact Dorling Kindersley in the US or UK and the below mentioned organizations in other countries. You may also visit us on the World Wide Web at:

<http://www.dk.com>

Certain titles have also been localized into other languages and more will become available on a regular basis.

Dorling Kindersley also publishes award-winning, best-selling illustrated information books and videos for adults and children. See your local bookseller or DK Family Learning adviser for details.

DK Family Learning is a sales operation which retails Dorling Kindersley CD-ROMs, books and videos through a network of self-employed advisers working on a commission-only basis selling direct to the public in homes, schools and offices. It offers an opportunity for individuals to make money by selling DK products to that vast sector of the population that rarely buy from bookshops. If you are interested in becoming an independent adviser please contact DK Family Learning in the US and UK at the addresses below for more information.
