

Reflective essay

The purpose of this essay is to enable you to reflect on your experiences during the module, and especially the School Visit and associated activities.

When preparing the essay, you may find it helpful to reflect on the following points:

- Did you deliver the school lesson as planned, if not, what was changed and why?
- What do you think that the school pupils gained from your presentation?
- Were the pupils interested in some topics more than others, and if so, which ones?
- Do you think that you made any difference to the pupils' opinions?
- What was the most difficult thing about the School Visit?
- What was the best thing about the School Visit?
- What knowledge and skills have you gained as a result of this activity?
 - Help you to understand the rest of the course better?
- Did the School Visit
 - Make no difference to your understanding of the course?
 - Made it more difficult to understand the rest of the course?
- Do you think this sort of activity is useful as part of a scientific module?
- Did you need to revise/learn extra things before going to the school, or did you already know what you were going to talk about?
- Would you prefer to be assessed by exams than by this sort of activity?
