

Lectures in Genes and Chromosomes

Dr DK Griffin
Ms Julia Stephenson
Brunel University
Uxbridge, UK
Darren.Griffin@brunel.ac.uk

Project aims

- To develop and evaluate a suite of electronic lectures in Genes and Chromosomes

Project outcomes

- The above lectures have been developed
- Feedback from colleagues and students has been favourable
- The lectures contain courseware and interactivity exercises
- The lectures are available on CD via the Centre for

Bioscience
Further details about this project are available from
website
