:: Please fill this sheet with your votes and send it to me. Alternatively, you can send your votes via e-mail. If you want to write me, please use the blank side of this sheet. Disks (better filled with +4 stuff) and other gifts will be gratefully accepted ::

Rules:

- you can vote for any user who works or worked on +4, and for yourself too;
- vote for specific programs and people;
- your votesheet can be also sent partially filled;
- be honest in your votes: charts never have to become a self-celebration.
