Whereas Licensee desires to receive, and Apple desires to grant to Licensee, a license to make certain Apple Software available for use to Licensee's Authorized Users in accordance with the terms and conditions set forth below, the parties hereby agree as follows:

1. Definitions

- 1.1 "Authorized Users" means Licensee's employees and contractors.
- 1.2 "Effective Date" means the date on which Apple executed this Agreement as set forth on the signature page.
- 1.3 "Software" means Apple's dual installer version of iTunes 9 for Windows and QuickTime 7 for Windows, which installs both applications using a single installer.

2. License

Subject to the terms and conditions of this Agreement, Apple grants to Licensee a nontransferable, nonexclusive limited right to have an information systems professional perform a network installation or CD-ROM installation of the Software on an unlimited number of computers, which licensee owns or leases, creating a representative company desktop enabling Licensee's Authorized Users to use the Software without having to perform their own installation. This license is expressly conditioned upon Licensee's compliance with the following requirements:

- (a) Licensee may not modify or alter the Software, the Apple installer or the Apple End User Agreement that accompanies the Software as provided by Apple to Licensee. As a condition of the rights granted herein, each installation of the iTunes and QuickTime Software must result in the iTunes and QuickTime Player icon residing on the desktop of each authorized user.
- (b) Any use of the Software licensed pursuant to this Agreement by the Licensee and/or its Authorized Users will be subject to the terms and conditions of the Apple End User License that accompanies the Software. Licensee is responsible for ensuring that the End User License is posted on Licensee's internal website and that each authorized user is aware of and complies with the terms of the End User License.
- (c) Licensee agrees not to modify, reverse engineer, reverse compile, or otherwise disassemble the Software. Licensee may not use, reproduce, sublicense, display, distribute or dispose of the Software, in whole or in part, other than as expressly permitted under this Agreement. Licensee further agrees that it will not display or distribute any screen shots of the iTunes Music Store without Apple's written consent.
- (d) At its option, Apple may authorize Licensee by notice to distribute a newer version of the Software pursuant to the terms of this Agreement. In the event that Apple makes a newer version available pursuant to the terms of this Agreement, upon written request from Apple, Licensee agrees that Licensee will stop distributing the older version within 5 business days after receiving Apple's request. Apple will have no obligation to license new versions to Licensee under this Agreement, or to license new versions to Licensee at all.
- (e) Licensee acknowledges that the Software is proprietary to Apple and that Apple retains all right, title, and interest in the Software, including without limitation all copyrights, patents, trademarks and other proprietary rights. Except as expressly set forth herein, no other rights or licenses are granted or to be implied.

3. Termination

- 3.1 This Agreement will continue until terminated pursuant to this section 3. Either party may terminate this Agreement at any time by providing written notice to the other party. This Agreement will automatically terminate in the event that Licensee becomes insolvent, has a receiver appointed, makes an assignment for the benefit of creditors, or becomes the subject of any proceeding under any bankruptcy, insolvency, or debtor's relief law.

- 3.2 In the event of any termination of this Agreement, all Licensee's rights granted herein shall immediately cease, except that Licensee will have 5 business days to remove the Software from its server. Termination of this Agreement will not terminate End User Licenses already accepted by Licensee and/or Licensee's Authorized Users and such users may continue using copies already installed in accordance with and subject to the terms and conditions of the applicable End User License (including termination provisions), but Licensee may not permit any further downloads or installations under this Agreement. No delay, omission or failure to exercise any right or remedy provided for in this Agreement shall be deemed a waiver thereof, nor shall it be deemed to be a waiver of any other or subsequent breach. The rights of the parties under this clause are in addition to any other rights and remedies provided by law or under this Agreement. Sections 1, 2(a), 2(c), 2(d), 2(e), 3.2, 5, 6, 8, 9, 10, 11, 12 and 13 shall survive termination of this Agreement.

4. Distribution Reports

During the term of this Agreement, Licensee agrees to prepare and provide to Apple an annual Distribution Report stating the number of copies of the Software distributed during the previous calendar year. Licensee shall submit the Distribution Report electronically to sw.license@apple.com within thirty (30) days of the close of each calendar year and shall maintain such records for one (1) year after the last copy of the Software has been distributed.

5. Disclaimer of Warranties and Limitation of Liabilities.

- 5.1 The Software is licensed to Licensee on an "AS IS" basis. APPLE MAKES NO WARRANTIES, EITHER EXPRESS OR IMPLIED, REGARDING THE SOFTWARE LICENSED HEREUNDER, INCLUDING WITHOUT LIMITATION, WARRANTIES WITH RESPECT TO MERCHANTABILITY, NONINFRINGEMENT OR FITNESS FOR ANY PARTICULAR PURPOSE.

- 5.2 IN NO EVENT SHALL APPLE BE LIABLE FOR INDIRECT, INCIDENTAL, SPECIAL OR CONSEQUENTIAL DAMAGES RELATING TO THIS AGREEMENT, THE SOFTWARE, WHETHER UNDER A THEORY OF CONTRACT, WARRANTY, TORT (INCLUDING NEGLIGENCE) OR OTHERWISE, EVEN IF APPLE HAS BEEN MADE AWARE OF THE POSSIBILITY OF SUCH DAMAGES. LICENSEE ACKNOWLEDGES THAT THIS ALLOCATION OF RISKS IS A PART OF THE BARGAIN OF THIS AGREEMENT. Apple's total liability under this Agreement, however arising, shall not exceed five hundred dollars.

6. Indemnification

- 6.1 Apple has no obligation to indemnify, defend or hold Licensee harmless from and against any claim that the Software licensed hereunder infringes any third party patent, copyright, trademark or other intellectual property right. Licensee will promptly notify Apple of any such claim.
- 6.2 To the extent permitted by applicable law, Licensee will indemnify, defend and hold Apple harmless from any and all claims, damages, losses, liabilities, costs

and expenses (including reasonable fees of attorneys and other professionals) arising out of or in connection with Licensee's and its distributors' distribution of the Software, unless the claim arises solely out of the Software as originally provided by Apple to Licensee. The foregoing exception will not apply to a claim arising out of the combination of the Software with any other software or hardware. Apple will promptly notify Licensee of any such claim and will provide reasonable cooperation and assistance in connection with such claims.

7. Notices

Any notice required under this Agreement will be deemed given: (i) when delivered personally; (ii) by facsimile; (iii) five (5) days after having been sent by registered or certified mail, return receipt requested, postage prepaid; (iv) via electronic mail; or (v) as otherwise expressly provided in this Agreement. All communications will be sent to the parties' physical or electronic addresses noted on the first page of this Agreement. Licensee shall inform Apple in writing of any change in Licensee's physical or electronic address.

8. Export

Licensee may not use or otherwise export or reexport the Apple Software except as authorized by United States law and the laws of the jurisdiction in which the Apple Software was obtained. In particular, but without limitation, the Apple Software may not be exported or re-exported (a) into any U.S. embargoed countries or (b) to anyone on the U.S. Treasury Department's list of Specially Designated Nationals or the U.S. Department of Commerce Denied Person's List or Entity List. By using the Apple Software, Licensee represents and warrants that Licensee is not located in any such country or on any such list. Licensee also agrees that Licensee will not use the Apple Software for any purposes prohibited by United States law, including, without limitation, the development, design, manufacture or production of nuclear, missiles, or chemical or biological weapons.

9. Assignment

This Agreement will be binding on the assigns, heirs and successors (whether through merger or otherwise) of the parties, except that it may not be assigned by Licensee by any means, including without limitation, by operation of law or merger. Any attempted assignment of this Agreement in violation of this section will be void.

10. Relationship of the Parties

Neither party may represent or bind the other party in any way and nothing stated in this Agreement will be construed as creating the relationships of joint venturers, partners, employer and employee, franchisor and franchisee, master and servant, or principal and agent.

11. Publicity

Licensee agrees that it will not make any press releases or public announcements referring to this Agreement without Apple's prior consent.

12. Governing Law

This Agreement will be governed by and construed in accordance with the laws of the State of California as applied to agreements entered into and to be performed entirely within California between California residents. Any litigation or other dispute resolution between the parties relating to this Agreement will take place in

the Northern District of California. The parties consent to the personal jurisdiction of, and venue in, the state and federal courts within that District.

13. Complete Understanding

This Agreement constitutes the entire Agreement between the parties concerning the use and distribution of the Software licensed hereunder. Any waiver or amendment of any provision of this Agreement will be effective only if in writing and signed by authorized representatives of both parties.
